- ii) An enquiry from Nottingham City SACRE secretary Heidi Shewell-Cooper. They are rewriting their constitution and using ours and the template from NASACRE. She has noticed the following:

10.2 If the question before the SACRE is whether or not to require a review of an Agreed Syllabus, the representative groups entitled to vote shall not include group A (Children and Young People's Services representatives).

This doesn't appear in NASACRE's suggested constitution and she wondered why we had included it. This happened before Ken's time, does anyone know why it was included?
